

# PRE-SURGICAL TECHNOLOGY - CERTIFICATE OF COMPLETION

The **Pre-surgical Technology Program Certificate of Completion** is designed for students who intent to apply for the Associate of Applied Science Surgical Technology program. The certificate will provide students the required coursework for prerequisites and general education, which must be completed for consideration of acceptance into the Associate of Pre-Surgical Technology program.

**Completion of the Pre-Surgical Technology Certificate qualifies a student to apply to the Surgical Technology program but does not guarantee admission nor can it be used for gainful employment.** Courses may be "in progress" at the time of application but must be completed prior to starting the program.
