

# GRADUATION REQUIREMENTS

---

## Graduate Outcomes

Upon graduation, students of SENMC will be able to satisfactorily demonstrate:

- Effective communication skills in reading, writing, listening, and speaking.
- Basic critical thinking skills including problem identification, evidence acquisition, evidence evaluation, and reasoning/conclusion.
- An understanding of personal and social responsibility.
- An ability to apply the fundamental concepts of quantitative reasoning in mathematics and science.
- Appropriate information and digital literacy, and skills for personal and professional use.
- An understanding of the fundamental concepts for analyzing significant primary texts and/or works of art, including fine arts, literature, music, theater, and film.

## ETS Proficiency Profile Exit Test Requirement

To evaluate its graduate outcomes, SENMC has chosen the ETS Proficiency Profile. This exam measures students' proficiency in reading, writing, mathematics, science, and critical thinking. **All students who are graduating with an associate degree should take this exam within the last two semesters of their program.** Some courses have incorporated this exam into the required coursework. Students will be given information about the exam site and date at the time that they apply for graduation.
